FRIENDS OF CHILDREN'S VILLAGE

MAY 2025

NEW HORIZONS!

A long-held dream is about to become a reality this June ... the new Trinity Junior College for Girls will be welcoming its first class of young ladies to complete Classes 11 & 12 on the Christiana Children's Home Campus!

As He very often does, God brought together the needed funding and required government approval in a surprising and sudden way.

This new educational opportunity will greatly benefit the girls already in the Home, as well as many in the surrounding community.

Income from outside students will also serve to increase the future sustainability of the Children's Home & EB School.

We thank God!

Please be praying for the new school year which begins soon - the middle of June. Many new students from the community are anticipated!

We are praying about establishing a service internship program for college students at the Children's Home and School. Please pray that God will provide the needed connections.

A medical mission trip is being planned for this October. Please pray that God gathers the perfect personnel for this opportunity.

A CONSTANT PRAYER REQUEST is for wisdom, protection, health, joy & peace for Babu, Hepsyba, and all of the staff & children.
