January 2026

NEW DINING HALL!

The new Dining Hall opened for business in October 2025!

Following a fun celebration, which included an especially delicious meal for all, regular daily use of the Dining Hall was begun.

Having a "sit-down" eating area is a requirement for the new Junior College for girls, but the Children's Home kids are now able to enjoy this benefit, as well.

Besides being used for meals, this spacious building will be helpful for many other gatherings when seating and shelter from the sun or rain is needed.

We thank God and our kind supporters who have made this new facility a reality!

Thank you for praying for the Fall Medical Trip which went very well for the team of seven who enjoyed spending time with all of the kids in spite of a moderate cyclone!

We are continuing our endeavor to establish a service internship program for college students at the Home and School. Please pray that God will provide the needed connections.

A CONSTANT PRAYER REQUEST is for wisdom, protection, health, joy & peace for Babu, Hepsyba, and all of the staff & children.
