EB School Rocks!

The Elizabeth Barrie School is thriving, as it continues to provide quality education for nearly 100 children from the Christian Children's Home, as well as 200+ more students from the surrounding area.

Your gifts not only help the children from the Home attend school but also help to pay for their uniforms and supplies. Community students pay tuition which further helps the school to excel.

Teacher retention and morale is at an all time high, thanks in part to salary increases, again made possible by your generous support.

Education, encouragement and spiritual nurture, all provided at EBS...truly life changing for so many...thank you & thank God!

A group of 5 medical professionals, along with 3 other individuals, will be offering aid to the Home and School in October. Please pray that God helps their time there to be encouraging to all they serve.

We are continuing our endeavor to establish a service internship program for college students at the Home and School. Please pray that God will provide the needed connections.

A CONSTANT PRAYER REQUEST is for wisdom, protection, health, joy & peace for Babu, Hepsyba, and all of the staff & children.
